The Good Feet Store

FITNESS & WELLNESS

Arch support specialists on Poplar Ave - worth a stop if you spend your shift standing on concrete or walking a route. A fitter measures both feet and your arch size, then puts supports in the shoes you walked in with so you can test-walk them in the store. The fitting is free, walk-ins are welcome, and most customers age 6 and up leave the same day. Generally HSA/FSA eligible - confirm with your plan administrator. Open Mon-Fri 10-6, Sat 9-5, Sun 12-4. A national retailer, not a medical provider.
